Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills I'm able to communicate clearly and precisely, responding to specific requests of the reference user. Excellent ability to relate with the environment and with colleagues thanks to the activities carried out in the various universities attended. I am endowed with great curiosity towards what is new and of a discreet tendency to ambition. I have good communication skills even in front of audiences, thanks to the autonomy acquired through the presentation of various university events and academic presentations

Organisational / managerial skills I'm able to organize work independently, defining priorities and objectives. I have always received appreciation in the field of organizing events and / or conferences, assuming responsibility on their own. I have the aptitude to manage projects and initiatives and the ability to coordinate groups of people. They are able to work in demanding situations of stress and fatigue.

Job-related skills Expert in the renewable energy sector, qualification acquired thanks to the I level Master completed in Spain and the consequent work experience carried out at the Fondazione Desarrollo Sostenible. I also possess technical skills related to the urban ecology sector, especially for urban solid waste management and to the planning of urban risk prevention strategies, acquired during the Master's work in socio-environmental studies, which I carried out at the "FLACSO" University in Ecuador.

Ability to write articles of culture, art and current events thanks to the experience acquired in the publication of the following academic articles:

May 2017. *Acuerdo de París: ¿Nuevos compromisos con el desarrollo o nuevas oportunidades de negocios?* Revista Cooperativismo & Desarrollo vol.25 n.111. ISSN 0120-7180 Available: <https://revistas.ucc.edu.co/index.php/co/article/view/1874/1964>

May 2018. Co-autor con Pedro Alarcon y Katherine Rocha. *El proyecto Yasuní.itt y el discurso del Desarrollo en el Ecuador contemporáneo.* Revista PHERIPHERIE (Germania). <https://www.budrich-journals.de/index.php/peripherie/issue/view/2383>

Jul 2018. *Energía y Buen Vivir : Alternativas de producción descentralizada de la energía.* Revista Via Iuris n.24 ISSN 2500-803X.

Aug 2019 . Tello, Golte y Dussel: tres visiones sobre el desarrollo de un sustrato cultural común en los Andes. Revista Chakinan n.8 ISSN: 2550-6722. (waiting for approval).
